

Three separate Divisional Finals meets are run to determine Divisional champions, and to give the best athletes an opportunity to qualify for the SPL LEAGUE Finals meet.

A. Eligible Participants.

1. Individual contestants have a four (4)-event maximum.
2. Individual contestants shall not compete in same individual event at more than one grade (level).
3. All schools may enter four (4) individuals in the Long Jump, Hop-Step-Jump (Triple Jump), Shot Put, Discus, Javelin, and JV 800. The Varsity 1600 run will allow unlimited participants.
4. All schools may enter two (2) individuals in High Jump and in each individual running event (except four (4) in JV 800 and unlimited in Varsity 1600). See Section M.
5. All schools may enter one (1) team in relays.
6. Schools to provide Events Committee chairperson, by April 1, a Roster (listing First and Last Name), by Grade/Group (i.e., 5th Boys, 5th Girls, etc.).
Roster is primarily used to clarify name spelling when working with Qualifying Meet results.

C. Individual Awards (Ribbons)

Colors: First Place = BLUE; All other qualifiers = RED; All non-qualifiers = WHITE.

D. Team Awards. Team awards are earned based on point totals.

- For team awards only, league schools will be divided, prior to the start of the season, into three (3) divisions: Division A, Division AA and Division AAA. The manner in which schools are divided will be based on a combination of three factors: size of school enrollment and results from the previous year's championship meet.
- For each Division: Banners awarded to first place in each of 4 groups.
JV Boys = Gr. 5,6; Varsity Boys = Gr. 7,8
JV Girls = Gr. 5,6; Varsity Girls = Gr. 7,8
These are retained permanently. Second and third place plaques are awarded in each division.
- The Gerdeman Traveling-Trophy is awarded to school scoring most overall points of the qualifying meets.

E. Relays. Instruct and escort both levels simultaneously. Relay judges must have Lane Assignments and Event Procedure document. Lane assignments cannot be changed for any relay, to ensure identical assignments at all exchange-zones.

F. High Jump.

1. Starting height will be the same at each qualifying meet. The starting height for Junior Varsity (JV) competitors will be **3'2"** and for Varsity competitors **3'8"**, regardless of gender.
2. Succeeding height changes: After starting height is cleared, the cross-bar will be raised at two (2) inch intervals until four (4) or fewer jumpers remain; then the bar is raised at one (1) inch intervals.
3. "Passing" at lower heights is encouraged as it saves jumper energy, speeds the event, and is a tie-breaker.

G. Guidelines for Lane Assignments and Heat Assignments.

1. Do not assign 2 athletes from same team to same PRELIM heat.
2. Quantity (number) of runners per heat, will be equal as possible.
3. Avoid assigning same uniform-color to adjacent lanes.
4. Lane Assignment Form is to be given to the Head/Assistant Starter, Staging Director, and Lanes/Relay Judges.
5. Identical lane assignment to both grades for specific event & level contested; i.e., Grade 6 Boys would be assigned to same lane as Gr. 5 Boys, for 75-m Dash. Event instructions are thus given once for that event.

H. Staging area.

A staging area with sufficient workers is an important contributor to efficient meet administration.

I. Meet Information Letter.

A meet information letter will be sent to participating schools no later than two (2) weeks prior to qualifying meet, to include track location, meet worker assignments. To avoid error & confusion, the meet information letter will not include information on events, calling order, or events procedure, topics that are described in this Events Committee document.

J. Meet Results.

1. Results of both qualifying meets must be sent to all SPL member schools, by the host school.
2. Get results to Events Committee chairperson within 1-2 days after the qualifying meet.

3. Each coach has responsibility to verify accuracy: School name, first and last name of each qualifier and the event. Advise discrepancies to championship meet host school at least 3 days prior to the championship meet.

K. Advancing to Championship Meet.

In order to be eligible for the Championship Meet in a running event, athletes must complete the finals for that event. Advancing to the finals is not sufficient.

L. Finish Line Area.

Meet management and the Head Finish Line Judge should physically create, on both sides of the finish line, an area that is segregated from athletes, coaches and parents that is solely for the Head Finish Line Judge, Finish Line Judges, and Timers.

M. Maximum Entries per event per school.
